

# Angel II by Neal Elias

## Illustrated by Dave Venables

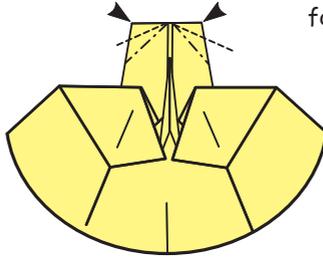

10 side view 11

outside reverse point to bring 'praying hands' upright

12

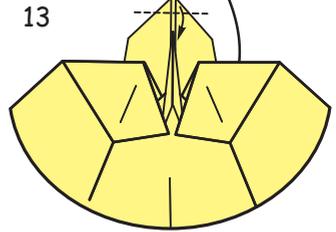

double reverse folds

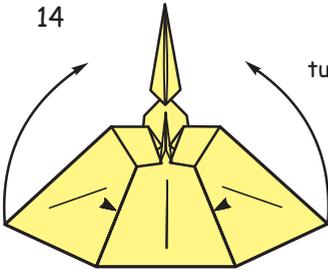

valley

bringing head from behind

13

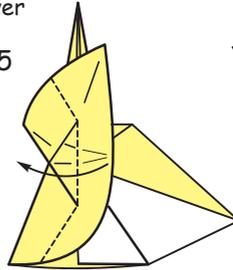

14

squash the pleat hidden between the dress and wings

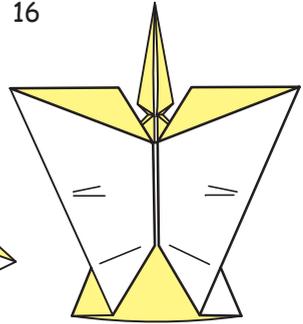

15

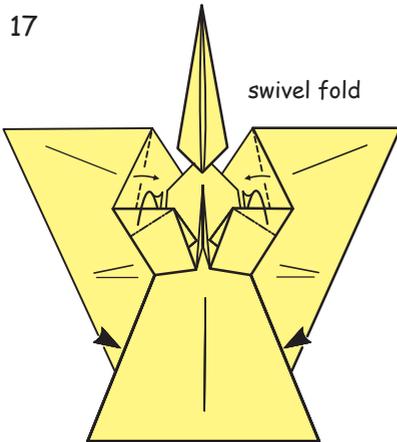

halfway there

16

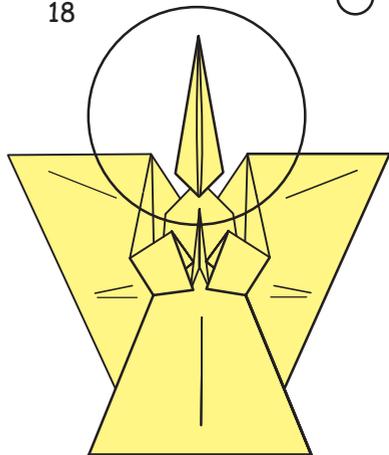

17

swivel fold

18

turn over

forming the head and face

19

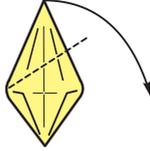

lift tip and push corners

20

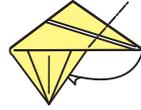

careful not to rip

21

should be 3D at this stage

22

shape hood

23

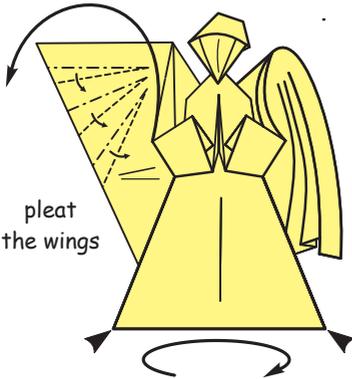

24

the face should be convex

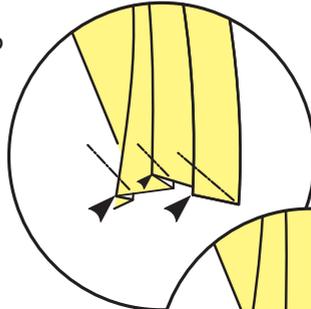

25

pleat the wings

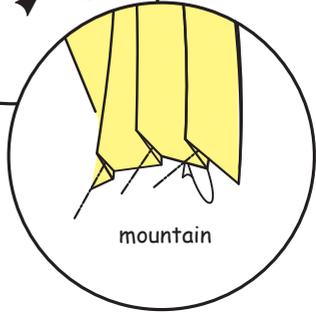

make the dress 3D

26

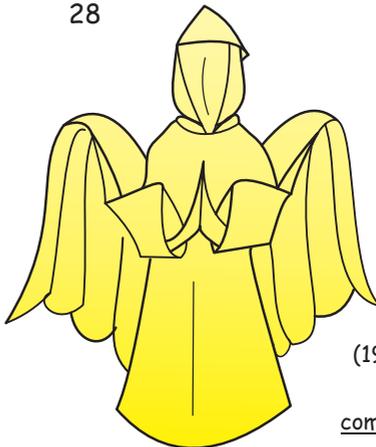

reverse fold and mountain fold the corners to scallop ends

27

mountain
